

CTOM SPON ZONE Problem  
**Omer's Spontaneous Restaurant**

**Judge: Preparation:**

- Set a table with five chairs for competing team members.
- Provide a copy of the problem instructions on the table for the team members.

---

**Judge Instructions:**

*(Judge: When team members enter the room, tell them)*

This is a verbal hands-on problem. You have 1 minute to select the five team members who will compete. The others must sit in these seats and watch or be escorted from the room. They may not assist in solving the problem and may not talk.

---

*(Judge: After 5 Team Members Chosen and seated, Read all the instructions, repeat, then Start the Time)*

Omer has been managing a fast food restaurant for years. He has a long term problem, the it is a lot of work to prepare the fast food. He has opened his own restaurant which not only provides fast food but food that can be prepared quickly with little effort.

1. You will have 2 minutes to think, followed by 3 minutes to respond. You may ask questions; however, time will continue. Do not talk to each other at any time.
2. You will receive 1 point for each regular response and 3 points for each creative response.
3. Once time begins, it will not be stopped, even if a judge asks you to repeat a response, clarify it, or give a more appropriate response. Speak loudly and clearly.
4. You must respond in order clockwise until time ends.
5. Your problem is to order from what might be on Omer's Spontaneous Restaurant menu – everything on the menu must indicate speed or a short time in its name, for instance "*Quick Oats*" or "*A Second Helping of Vegetables*"

*(Judge: Repeat all the instructions, then Start the Time)*
